

Orphans Dream

Annual Report — 2025

Letter from the Director

Dear Partners and Friends,

It is with great joy and gratitude that we present the 2025 Annual Report for Orphans Dream. This year has been one of growth, resilience, and renewed hope as we continued our mission to care for orphaned and vulnerable children in Malindi, Kilifi County, Kenya.

Through your generous support, we have been able to provide shelter, education, healthcare, and spiritual guidance to children who would otherwise be left without hope. Every meal served, every lesson taught, and every prayer whispered represents the collective love of our global community.

Our Mission: To provide hope, nourishment, education, and loving care to orphaned and vulnerable children in Kenya, empowering them to build brighter futures.

Key Highlights — 2025

Area	Achievement
Children Supported	Ongoing care for all resident children with expanded outreach programs
Education	100% school enrollment with improved academic performance across all grades

Healthcare	Regular medical checkups, vaccinations, and nutritional support for all children
Community	Strengthened partnerships with local churches, schools, and international donors

Financial Stewardship

We remain committed to transparent and accountable stewardship of all resources entrusted to us. The majority of our expenditures directly support program activities benefiting the children in our care, including food, education, healthcare, and facility maintenance.

Looking Ahead

As we look to the future, our goals include expanding vocational training programs, improving our educational facilities, and reaching more vulnerable children in the surrounding communities of Kilifi County. We invite you to continue this journey with us.

With heartfelt gratitude,

The Leadership Team
